**Mrs Glennis Hewitson - Seruilia Kennels (UK)**

Firstly, I would like to thank the Club for inviting me to judge your 35th Anniversary Show. I was very pleased with the over-all quality in all the classes, some of the final decisions were very hard to make as there were many dogs I liked very much. You have some very nice young dogs coming through for the future, which is very promising.

Movement and construction was very good. Temperament was excellent, I only found 1 level bite, which was also pleasing. My final winners I found to be of excellent quality, my puppy winners and junior winners were hard to fault. My best dog and Best in Show was quite a stunning boy, plenty of drive on the move and handled to perfection. I loved my best bitch also, she was feminine, but plenty of substance too, excellent construction and moved so freely.

The whole entry was of a high standard and I very much enjoyed my day. Thank you once again for inviting me to Australia.
