

Thank you to the committee for the privilege of judging your 2015 championship show. I would also like to thank all exhibitors for their warm welcome and for turning out on what was a very wet and windy day. A special mention for Jackie and husband Jeff, for the lovely welcome and lunch the following day.

The dogs were presented in good condition in the most part and the quality was excellent. Places were sometimes contested on the smallest of margins. Overall I believe you are blessed with a good depth of quality in both dogs and bitches.
